

THE CRIMINAL PROCEDURE CODE AND LEGAL SAFETY SEVERAL EXAMPLES
OF PRACTICE DEVIATIONS INFLUENCED BY THE CRIMINAL PROCEDURE CODE

Phd Goran Ilic
President PAS
Deputy GP

Summary: New type of criminal procedure, vague and mutually contradictory norms, conceptual inconsistency of Code, all of this has led to the uneven procedures of the Courts, Public Prosecutors Offices as well as to fluctuation in judicial and prosecutorial practice on many legal issues, even those which have been out of every controversy for many years. In practice there are some cases of fluctuations of judicial and prosecutorial procedures in the implementation of important institutes of the CPC and the impact of changes in the practice of the Courts and Prosecutor's Offices for legal security.

Keywords: new type of criminal procedure, legal security, judicial practice, prosecutorial practice.
